

THREDBO MOUNTAIN TOURS

Presented by Toyota, Thredbo has free two TOYOTA hour mountain tours during July, August and early September. All you need is to be an upper intermediate skier or boarder and have a valid lift pass. Tours start at 11am daily, meet at the top of the Gunbarrel Express.

BACKCOUNTRY TOURS

Looking for a snow adventure with a difference? We have partnered with The North Face to offer Backcountry Tours. Take an out of resort trip into the side and backcountry of the spectacular Main Range Strap on the snow shoes for a tour around the Ramshead Range or wander longer to the top of Mt Kosciuszko. Splitboarders and ski tourers, head high with the backcountry team and make your mark in the chutes and untracked faces of the range. It's a great way to escape the resort, take in fresh mountain air and enjoy uncrowded slopes (you may not see anyone all day), all with the company of a knowledgeable backcountry expert. Tours with the Thredbo Backcountry Guides include snow and safety awareness, avalanché safety, backcountry familiarisation, basic navigation and snow survival skills.

Bookings can be made with Thredbo Snow Sports on 6459 4044.
