EXTRACT FROM THE GENERAL PRICING CONDITIONS

- The **ski pass is for the named holder only and is non-transferable**.
 - The definition of a family in accordance with our pricing terms is the parents and children* and teenagers*, living with at least one parent in the same household.
 - Misuse of ski passes will result in the withdrawal of the ski pass and termination of transport. In addition, a fine of at least €50 as well as the price of a full-price day ticket will be payable. The attempt to transfer a ski pass to another customer is considered misuse.
 - Key card required! A refund of €2 will be given upon return of the undamaged data carrier. Different regulations apply to lift ticket data carriers in respective regions.
 - A photograph is required from 9 days. There are photo booths at all the main ticket offices.
 - It is possible to purchase and also use multi-day ski passes in advance from 15:00 the previous day, with the exception of the Tauernseilbahn Haus/Ennstal area.
 - Every ticket holder is responsible for keeping his or her ticket safe, to the extent that a third party is unable to gain access to it.
 - No replacements made for forgotten or lost ski passes.
 - Refunds are only made available for sports injuries when presented with a medical certificate from a resort doctor/hospital and with the immediate surrender of the ski pass at one of the main ticket offices.
 - No refund on full- or half-day tickets in the event of bad weather, discontinued operations, closed pistes, danger of avalanche, closure of individual lifts or ski areas, early departure or return of the ski pass.
 - Individual tariffs in effect for evening tobogganing and night skiing.
 - Please respect the FIS safety rules.
 - A contribution to mountain rescue costs is payable in the event of mountain rescue after piste accidents (notice posted at the ticket offices).
 - Please take note of the "General Pricing Conditions" and the terms of carriage of the respective lifts (notice posted at ticket offices and lifts).
- Information about additional ski-pass tickets (e.g. season and hourly tickets) at the lift ticket offices.
- Safety notice with the exception of the clearly marked and illuminated night pistes, all pistes are closed from 17:00 - 08:00 (please observe the ski-area-specific piste opening times). In order to ensure that you have an unforgettable time on the slopes, piste preparation and artificial snow works are in operation during this time. (Beware: cables are laid out across the slopes).
- During the pre-season and low season, and also if there is insufficient snow, a restricted range of facilities and number of slopes are in operation.
- When purchasing a named ski pass the ticket holder agrees to the automatic registration of his or her personal data. The aforementioned data will be recorded and processed using EDP for the purposes of control, the avoidance of the misuse of tickets and for customer care but will in any event be destroyed three years at the latest after the last customer contact.
- When purchasing a ski pass the ticket holder agrees to have their photograph taken, and the data stored and processed at the ticket issuing and access points. This will be used for the purpose of control in order to avoid the misuse of tickets. The data will be destroyed after the expiration of the ski pass provided that the tickets are used in accordance with the contract.
- The ticket holder also agrees that the personal data may be passed on to Ski amadé GmbH and all companies within the area for the reasons listed above.
- Acquisition of a permit to travel entitles the holder to use the ski areas covered within Ski amadé. As member companies operate on an independent legal basis from Ski amadé, the company in whose ski area any incident occurs will exclusively meet all possible liability arising from incidents out of and during the operation and use of the cable and lift facilities as well as the slopes.
- Excludes errors, omissions and price alterations.

Holidays, mountains and you. Nestled in the centre of Ski amadé, "**Salzburger Sportwelt**" offers ideal conditions for an unrivalled time on the slopes. As a result of its range of tip-top facilities and winter sports expertise, winter sports enthusiasts can look forward to 120 km of the highest quality slopes in **Flachau, Wagrain** and **St. Johann-Alpendorf** within Snow Space Salzburg. Thanks to its ideal snow conditions and preparation to a World Cup standard, Snow Space Salzburg is a world-wide leader. Visionary and technological highlights can be found amongst its ultra-modern cable cars such as the **G-LINK Wagrain**, the world's first valley-spanning aerial tramway. From peace and quiet to action and adventure, you'll find everything here that you desire from your ultimate holiday experience. That goes for on the slopes, in the fun- and snow parks or in the children's adventure worlds as well as at the numerous events. Skiparisee **Zauchensee/Flachauwinkl's** motto is "smart skiing". The World Cup resort scores with its snow-sure altitude, variety of slopes

for levels of ability and demanding freeride area around the 3 ski mountains of Rosskopf, Gamskogel and Tauernkar. Active families and buzzing freestylers alike come into contact at the Shuttleberg in **Flachauwinkl-Kleinarl** and around the Family Run, with its 19 km and 19 stations, fun run, cross run and timed sections. Europe's largest snow park, the Absolut Park Flachauwinkl, has lines for beginners and pros. The ski region of **Radstadt-Altenmarkt** presents itself as a compact and charming family ski area, boasting a "Fichtelland" for children, fun slopes, the Königslehen 6 km-long illuminated toboggan track, the monte popolo resort in **Eben** with its children's adventure land and fun park as well as **Filzmoos**, a real gourmet's paradise, with its Rossbrand high-altitude cross-country trail. If you've been to Salzburger Sportwelt once you'll definitely want to return. And if you've never been there you've certainly missed out on something. Which category do you fall into?
