SNOW GALORE ON TYROL'S HIGHEST GLACIER NORDIC SKIING AND WINTER HIKING

The ski area at Pitztal Glacier offers unique skiing pleasures on wide slopes covered with natural snow from September to May. The Rifflsee ski area, where varied ski runs await you, opens in December.

The Pitztal Glacier cross-country ski center at 2,770 m above sea level welcomes classic and skating-style Nordic skiers in autumn and spring. In winter the high-altitude track is groomed on request for groups of 20+ persons.

A 5 km long track leads along Rifflsee, Austria's biggest natural mountain lake. In addition to the classic-style track you will also find a marvelous skating track which is ideal for pedestrians.
